

Wesley Campbell | Advisor

Wes Campbell began his career at Land Advisors Organization in 2013 as an intern while completing his degree at Arizona State University. During this time Wes worked specifically in the Land Advisors Resorts Division on projects across the United States, Mexico and the Bahamas.

After obtaining his Bachelor of Science degree in Finance in May of 2016, Wes returned to work specifically on Arizona based projects. He specializes in custom lot communities, single family and multifamily infill sites, as well as investor and home builder purchases. Wes's daily roles include creating property marketing materials, client communication, and analyzing market data.

Wes is actively involved in projects throughout the valley and works in concert with several of the Scottsdale Based brokers.
